

HITSTER

PRINT-AND-PLAY VERSION

Listen to over 100 years of hits and take turns guessing when the songs were released, artist names and song titles.

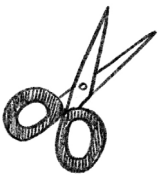

FOLLOW THESE INSTRUCTIONS TO GET STARTED:

1. Download this PDF.

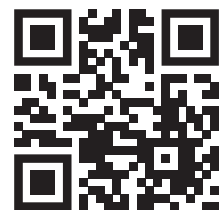

2. Take it to your local print shop or print it at home. If using a print shop, get some thicker paper while you're at it.

3. Cut the cards, preferably using a large paper cutter. A scissor works fine of course.

4. Find out how to play by scanning this QR code with your mobile camera:
